### Education

#### Vishwakarma Institute of Information Technology

Bachelor of Technology in Civil Engineering. GPA:8.08

Pune, Maharashtra

Expected Graduation Date - 2026

#### Crescent High School and Junior College

12th Grade (HSC Science): 82.17%

Pune, Maharashtra

Year of completion - 2022

#### Crescent High School and Junior College

10th Grade (SSC): 89.80%

Pune, Maharashtra

Year of completion - 2020

### Experience

#### Badhekar Developers

Site Intern

Pune, Maharashtra

May 2025 – June 2025

- Interpreted structural drawings and verified execution of reinforcement and layout accuracy.
- Prepared Bar Bending Schedules (BBS) and estimated material quantities for tiles, concrete, and steel.
- Acquired practical experience in reinforcement placement, shuttering, concreting, and QA/QC checks.
- Observed finishing works such as plastering, gypsum applications, and tile installation.
- Developed an understanding of site layout marking, material handling, and contractor coordination.

#### CREDAI Pune Metro

Industrial Trainee

Pune, Maharashtra

August 2024 – January 2025

- Participated in guided site visits of high-rise residential and commercial construction projects.
- Performing execution stages that include excavation, piles, RCC framework, and MEP coordination.
- Completed basic safety training on construction site protocols, hazard identification, and PPE compliance.
- Gained exposure to real-world applications of RERA compliance, structural planning, and quality control.
- Attended expert-led sessions on urban infrastructure, project management, and regulatory frameworks.

#### GN Construction

Site Intern

Pune, Maharashtra

May 2024 – June 2024

- Monitored day-to-day site activities based on predefined checklists and progress targets.
- Inspected inward materials for quality compliance and adherence to project standards.
- Assisted in coordination between site supervisors, engineers, and subcontractors.
- Conducted regular site inspections to ensure alignment with safety and quality protocols.
- Reviewed construction drawings and technical specifications to support site execution.
- Coordinated with vendors and suppliers for timely procurement and delivery of materials.
- Submitted daily progress reports, highlighting key updates and potential site issues.

### Leadership & Activities

#### Civil Engineering Students Association (CESA)

Cell Representative

VIIT, Pune

August 2024 – May 2025

- Played a key role in organizing event agendas in coordination with IGS Pune Chapter members and guest speakers.

- Led the execution of departmental events, seminars, and peer engagement initiatives.
- Organized guidance sessions for competitive exam preparation and internship opportunities.

### **Competitive Examination Cell (CEC)**

VIIT, Pune

#### **Head of Department**

August 2024 – May 2025

- Boosted student participation in competitive exam preparation by conducting group study sessions.
- Led the planning and logistics of an alumni interaction event, including technical arrangements.
- Managed a team of volunteers to organize academic seminars and guest lectures.
- Coordinated with faculty and peers to streamline competitive exam readiness efforts.

### **ICI Pune Chapter**

Pune, Maharashtra

#### **Member**

August 2024 – May 2025

- Attended expert lectures on concrete technology, structural design, and construction practices.
- Participated in technical site visits organized by ICI Pune to gain practical industry exposure.

### **The Social Youth Club**

Pune, Maharashtra

#### **Member**

August 2024 – May 2025

- Participated in community service initiatives including cleanliness drives and awareness campaigns.
- Assisted in organizing youth development programs focused on education and engagement.
- Collaborated with local volunteers and NGOs to support public outreach and social events.

## **Conferences & Workshops**

- Attended Third International Conference on Construction Materials and Structures (ICCMS 2025) held at IIT Tirupati, India, July 3–5, 2025

## **Certifications**

- **Learning Revit 2023** – LinkedIn Learning (Issued Feb 2025)
- **Project Management Foundations** – Project Management Institute (Issued Dec 2024)
- **AutoCAD 2022 Essential Training** – LinkedIn Learning (by Shaun Bryant) (Issued Sep 2024)

## **Skills & Interests**

**Engineering Software:** AutoCAD, STAAD.Pro, Revit, MS Excel, MS PowerPoint, MS Project

**Programming:** Python, Machine Learning

**Language:** English, Hindi, Marathi

**Interests:** Concrete technology, AI in civil engineering, Structural design, Sustainable construction, Project management

**Soft Skills:** Leadership, Team coordination, Problem solving, Communication, Event planning, Community engagement, Time management.
